WHAT DO YOU FIND HELPFUL ABOUT THIS INSTRUCTOR?

- She is very informative in her lectures, makes sure we understand her lesson.
- She explains material very well and is always willing to answer questions.
- This instructor shows respect and treats the students as equals.
- She offers readings on her website that are supplemental to her lecture notes. She is always available for questions and comments during her office hours.
- She is very clear on what she wants from us. She is a complete teacher.
- Her relating the topic to everyday life to make it more understandable.
- The way she explains concepts & ideas, provides examples and provides supplemental readings.
- She clearly emphasizes points that will be on the test.
- Everything.
- Great teacher! Makes a difficult class very interesting. Great teaching methods.
- She seemed to genuinely care about my future goals. She tries to make a difficult class like ours more understandable.
- She teaches this class in a way that makes the material easy to understand, including the tough material.
- She is very clear on her explanations. She is always prepared. She makes the class fun by showing little short clips to expand on her lecture. She actually wants us to get good grades. She explains everything clearly and answers questions.

- Professor Dionisio is an AMAZING professor! Her lectures are thorough and extremely helpful. Although the material taught in this class is quite challenging, she does a great job of making it easier for us to understand!
- I like that proactive way that the instructor teaches the material. The class is hands on and allows for active participation, which I find helpful.
- She is very helpful teacher. She helps her students a lot. She gives what we ask for, and she tries to be there for her student as much as she can.
- I like that she explain to us clearly the information and gives us a friendly environment.
- Her explanation is very precise and to the point. She doesn't ramble on. VERY INTERACTIVE CLASS.
- She is more than willing to help you understand a concept you don't. She urges us to work together.
- She provides extremely well & detailed notes. Her explanation is based on her power point presentations. Are very clear & easy to understand. She answers questions, asks the class question and really has made the classroom into a comfortable learning environment.
- She explains the course excellent.
- The instructor is more interactive in her teaching methods. She get us to ask questions or she asks us questions. If we don't know the material she helps us understand it.
- She is great about answering emails w/helpful info almost instantly. I haven't had a single ? that hasn't been answered correctly. The materials really hard but she helps us understand.
- She passes out slides.

WHAT ELSE DO YOU THINK WE SHOULD DO TO SERVE YOU BETTER?

- Listen to student concerns. Talk to students with the anticipation that they will understand the material. Treat us like college students not middle school kids. Leave the counseling to the counselors and just teach the students. Answer student questions when asked and if not known do not make the student feel stupid for asking something.
- Have more teachers like her.
- Have more psychology classes such as this one.
- Why air conditioners in classrooms are not adjustable.
- No complaints.
- So far she is doing well and can't think of anything.
- Not make this class harder.

- Nothing comes to mind.
- Everything is perfect!!
- N/C
- Nothing.
- Nothing.
- Nothing.
- Not have so many quizzes.
- Make the class a little easier.
- I do not feel like there is anything else you can do.
- Keep up the great job.
